

# SCOUTING FROM HOME

*Southern Sierra Council - April 2020*

## 4-Point Challenge

---

---

Name \_\_\_\_\_ Pack/Troop # \_\_\_\_\_ Den/Patrol \_\_\_\_\_

Earn a cool patch and stay active by taking part in this challenge. Scouting doesn't end when you leave your weekly meetings. Take the adventure indoors! Keep your mind and scout spirit active, by Scouting From Home!

### **A Scout Is Kind**

Write at least one letter addressed to a nursing home. Let them know about the fun things you do in scouts, and how you are staying safe. Ask about things they do for fun and their life growing up. Do they have any experiences similar to COVID-19? With your parent's approval, you may choose to include a stamped, self-addressed envelope so they can reply.

Write a summary of what you learned in the box below.

Parent Signature for Approval of Completion \_\_\_\_\_

### **A Scout Is Clean**

Health officials suggest washing your hands for at least 20 seconds. Create a song, poem, or pledge to say during the 20 seconds of handwashing. Learn more at <https://www.cdc.gov/handwashing/when-how-handwashing.html>

Write it in the box below.

Parent Signature for Approval of Completion \_\_\_\_\_

# SCOUTING FROM HOME

*Southern Sierra Council - April 2020*

## **A Scout Is Obedient**

Government and Health officials have asked families to stay inside for the time being. Find a fun activity you and your family can do inside to pass the time. This can include crafts, sports, or scout advancements.

Learn more at <https://sscbsa.org/covid-19-unit-resources/>

Write about the activity you did in the box below.

Parent Signature for Approval of Completion \_\_\_\_\_

## **A Scout Is Courteous**

To stay safe and stop the spread, it is recommended to wear a face covering while in public. Make your very own facemask at home. This can be made out of a variety of household materials. Visit CDC.gov to learn how you can help protect others.

Learn more at <https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/diy-cloth-face-coverings.html>

Draw your Facemask you made in the box below.
