Do you know how to set your popcorn sales goal? We can help!!

- ANNUAL PLAN is developed from the Scouts' and parents' perspective with input from leaders. Each den should develop an annual plan in addition to the unit, district and Southern Sierra Council activities.
- PROGRAM BUDGET should be configured so that parents pay no out-of-pocket expenses. It will include all-inclusive costs established for planned activities such as summer camp, registration, insurance, uniforms, advancements, Scouts' Life and more. There should be no general line items that cannot be broken down on a per Scout basis included in this budget.
- PER SCOUT SALES GOAL is based on the annual plan and budget that a Scout family must reach to have their entire program paid for with no out-of-pocket expenses. A comprehensive communication plan given to the parents and Scouts will outline the entire program year in a menu format. It will highlight the activities planned for their year and state clear expectations of parental involvement in the various aspects of the program including the need for leaders, committee members, and activity help.

THE GOAL IS TO RAISE ALL THE FUNDING NEEDED FOR YOUR ENTIRE PROGRAM YEAR THROUGH THE POPCORN SALE
